## Dermalogica Skin Treatments

Everyone wants a healthy glowing skin and do what they can at home to keep on top of cleansing and moisturising daily. But most would admit that when it comes to exfoliating or masking, they fall sadly short. Your skin is the largest living organ of your body, defending you from UV and pollution, eliminating toxins and oils and stopping you from losing water and shrivelling like a prune. So shouldn't we devote as much attention upon our skin as we do our hair and nails. If you truly want the best skin you can have, you need to book in for a skin treatment that will exfoliate, soothe, revitalise and nourish until you get that just stepped out of a treatment room glow.

## One treatment: different every time

Your face tells its own unique story and a great skin treatment should be personalised just for you. Whether you have an oily t-zone and flaky cheeks or puffy eyes and sensitivity, your treatment will be tailor made each time to solve your specific concerns. All you need to do is decide the time you have available and our highly trained skin therapist(s) will do the rest. We proudly use Dermalogica products in all skin treatments and recommend Dermalogica homecare for unsurpassed results.
